

STUDY PROGRAM: UNIVERSITY GRADUATE STUDY IN GERMAN LANGUAGE AND LITERATURE- education module

CORE LEARNING OUTCOMES OF STUDY	
<i>Learning outcomes of study program</i>	<i>Individual outcomes of study program</i>
THE NOTION OF CULTURE	1. Show and explain the notion of culture and its ambivalence in language in literature
	2. Classify different cultural theories
	3. Define and explain media culture; separate and explain its main characteristics
	4. Define the concepts of inter and transcultural communications
	5. Compare and define emergent forms of popular culture
CULTURE IN GERMAN SPEAKING COUNTRIES AND INTERCULTURAL DIALOGUE	1. Define and explain key (literary, language and cultural) concepts in the culture of German speaking countries and Croatian culture
	2. Define Croatian and German cultural similarities (in language, literature and socio-historical contexts)
	3. Comparatively analyze media and language communication in the culture of German speaking countries and in Croatian culture
	4. Describe typical cultural patterns in German speaking countries in both a synchronic and diachronic perspective with a focus on literature, language and media
LINGUISTICS FOR GERMAN LITERARY EXPERTS	1. Show the interconnectedness of already adopted linguistic concepts within modern research tendencies
	2. Show the interconnectedness of already adopted linguistic concepts within modern research tendencies in the fields of pragmatics, sociolinguistics, cognitive and text linguistics
	3. Recognize the importance of specific cultural patterns in intercultural communication
METHODS OF TEACHING GERMAN LANGUAGE AND LITERATURE	1. Accurately interpret and explain fundamental methodological and glotodidactic concepts
	2. Explain and interpret different theories, approaches and methods in teaching foreign (German) language
	3. Select and create appropriate teaching materials for teaching the German language on the basis of appropriate criteria
	4. Apply appropriate examining and (self) evaluating techniques in assessing student achievement
	5. Plan, prepare and hold a lesson in German language in primary and secondary schools
	6. Assess the appropriateness of particular methodological processes in teaching the German language (with respect to the target group)
CONTEMPORARY GERMAN LANGUAGE	1. Apply knowledge of the German language at a C2 level
	2. Formulate, describe and explain the German language system

	3. Differentiate the characteristics of national varieties of the German language
	<i>It is expected that students will achieve the knowledge and understanding of the German language, verbal and written skills, of a C2 level according to the Common European Reference Frame</i>
ELECTIVE LEARNING OUTCOMES	
<i>Learning outcomes of study program</i>	<i>Individual outcomes of study program</i>
SYSTEMIC AND COMMUNICATION SKILLS	1. Research, analyze, interpret and present information from a variety of sources
	2. Apply professional terminology from the fields of linguistics, literature and culture
	3. Apply multilingual comparisons of different language systems
	4. Apply rhetorical skills in discussion (express opposing views for agreement)
	5. Apply team work skills (through active work in pairs and groups)
ORGANIZATIONAL SKILLS AND GROUP WORK	1. Develop a project proposal
	2. Present and critically assess results of project tasks
	3. Interpret learning strategies in an educational context, plan and organize your own learning
