SLAVOFRAZ 2018

International Conference “Phraseology, Learning and Teaching”

Rijeka, Croatia, Department of Croatian Language and Literature,
Faculty of Humanities and Social Sciences, University of Rijeka

19th – 21st April 2018

International Scientific Conference Slavofraz 2018 is dedicated to phraseology in learning and teaching at all levels of education and in first, second, foreign and heritage language teaching. Both theoretical research and its application are important in this area – from contrastive phraseology and phraseography to strategies and exercises in the didactic approach to phraseology as part of education outcomes and teaching content. Conference contributions are invited within but not limited to the conference themes outlined below:

- phraseology in first, second, foreign and heritage language teaching,
- approaches to phraseology in teaching at all levels of education,
- phraseology in translation workshop classes,
- linguistic theory (cognitive linguistics, psycholinguistics...) and phraseme teaching,
- contrastive phraseological research (with a review of its contribution to more successful realisation of education outcomes and teaching content connected with phraseology and the phraseological fund of individual languages),
- equivalence relationships in contrastive phraseology and their importance in language learning and teaching,
- within-subject and between-subject correlations and phraseology as teaching content (phraseology and lexicology, phraseology and stylistics, phraseology and dialectology, phraseology and discourse linguistics, phraseology and pragmatics, phraseology and metaphor theory, phraseology and history, phraseology and art...),

- phraseological optimum at different stages of foreign language learning (research, analyses, corpora...),
- phraseology and didactics (terminology, types of phraseological exercises...),
- development of active phraseological competence,
- phrasemes in classroom discourse (educational aspects of phraseme use, phrasemes from a communication quality perspective etc.),
- phrasemes from a politeness theory perspective,
- phrasemes from a rhetorical perspective (especially instructional discourse)
- approach to regional phrasemes in teaching and classroom discourse
- teaching resources in the didactic approach to phraseology,
- phraseography in teaching (theoretical and practical approach).

This list can be expanded with other similar topics. Research may be conducted within a single Slavic language, between two or more Slavic languages or between (a) Slavic and (a) non-Slavic language(s).

The official languages of the conference: Croatian and other Slavic languages, English, and German
